Dear Sponsor,

The American Legion and The Sons of the American Legion are having their Annual Golf Outing to raise funds for our Service Account. These funds are used to help Veterans, their family's and under privileged families in our community. Last Thanksgiving and during the Christmas Holidays because of the help and concern from honorable citizens like yourself, our post was able to partner with the Jewel store of Homewood to deliver over 900 full dinners to Veterans, Police and Fire Departments and needy families in our community. We replaced windows and doors for a family of need that had their home broken into. A ramp was built for a disabled Veteran that moved into the Park Forest Community. These and many other blessings are provided to Veterans and community families due to the commitment and donations from businesses and citizens like yourself. We are asking for objects that can be handed out as prizes, such as tools, certificates, golf balls and clubs, tee shirts, theater tickets. Monetary donations are also most welcome. If you can help us with our endeavor to help Veterans, their families and the many needy folks in the surrounding area, please do so. Thank you in advance for whatever you can do. remember, nothing you can do will be too small.
