The American Legion Post's
Step By Step Guide To A
Successful Premier Boys
State Sponsorship and
Engagement Collaboration

"A Week That Shapes A Lifetime"

1. Identify the Candidate:

- This MUST be a junior in high school. The post may choose the candidate as well as the high school.

2. Registration:

- Have the candidate register at www.illinoisboysstate.org/registration.org. The candidate may register before the post has knowledge of the candidate. Either way, as soon as the candidate registers, an email will be sent to the post chairperson as well as the district/division chairperson, to ensure that the communication is immediate.

3. Validation:

- After receiving the email with the registration information, contact the candidate to ensure that they meet the requirements of the program (junior in high school or equivalent in home schooled).

4. Payment:

- Send a \$400.00 check made out to Premier Boys State and place the sponsored candidate's name in the memo section to:
American Legion Department of Illinois
2720 E. Lincoln St. Bloomington, IL. 61704.

5. Constant Contact:

- After the initial contact, continue communication with the candidate/parents regarding any questions or concerns. Ensure that they are aware of any transportation in your area (this is set up by your respective districts/divisions). Communicate that some of the scholarship opportunities could be completed before the program begins for instance, the Samsung Scholarship (must be a descendant of a veteran) oratorical and essay (topics posted on the website by March 1st).
