Detachment of Illinois Members,

Enclosed with this mailing is a letter and flyer outlining the upcoming Squadron Training Sessions hosted by the Detachment's Leadership & Training Committee. This information has also been sent directly to all Squadron Commanders and Adjutants.

Six regional training sessions have been scheduled throughout the Land of Lincoln, making it convenient for members across the state to attend. Each location should be within a two-hour drive or less for most members.

The Leadership & Training Committee has invested considerable time and effort into developing this training program. This is not the same type of training we have offered in the past. It is designed for **ALL Blue Cap members**, not just current Squadron Officers.

Whether your Squadron focuses on activities within the four walls of your Post, serves your local community, or has members interested in advancing through the SAL ranks, this training has something to offer everyone. We strongly encourage each Squadron to send at least one representative. Better yet, bring several members!

Registration is important! Please use the QR code or registration link provided on the flyer to sign up for the session you plan to attend. We need an accurate headcount at each location to ensure we have enough training materials and lunch for everyone.

Everyone planning to attend must register!
We are simply asking for four hours of your time and a commitment to investing in our program, our Squadrons, and the future of the Sons of The American Legion in Illinois.

Division and District Officers: Please help us spread the word and encourage your Squadrons to participate. Your leadership and support will play an important role in making these training sessions a success.

Let's make the most of this opportunity to learn, share ideas, strengthen our Squadrons, and build a stronger Detachment of Illinois!

Thank you for your continued dedication and support.
