JUST A QUICK MEMBERSHIP REMINDER

From National Membership & Squadron Activities

“July In, December Out!”

Your current Sons of the American Legion membership expires **December 31st**, and that date will be here before we know it!

Let’s not allow our memberships to lapse. **Let’s be sure to get our dues renewed as soon as possible to help ensure the future growth, strength, and success of our organization.** Encourage your fellow members to do the same.

Remember your WHY! Remember why you joined, why this organization exists, what we stand for, and most importantly, who we serve.

The Sons of the American Legion is about much more than carrying a membership card. It’s about honoring our veterans, supporting their families, serving our communities, and carrying on the traditions and values of The American Legion.

Membership is more than just paying dues. It’s about commitment to a purpose greater than ourselves.

RENEW TODAY!

You can renew your membership online at:
